A Southeast Regional Flight Meet provided the F.I.T. Falcons student flight team with an opportunity to win the Team Championship Award, along with many more honors. Smith, Michael Weaver, Kameen Varney and Stephen C. Patton. Standing in front of them are, from left, Robert Allen, Scott Stebbins, advisor Ed Everett of Aeronautics, John Cannon and David Tornabene. Falcon captain Kurt Andersen, a sophomore in Aviation Management, captured the Top Pilot spot from among 50 student aviators. The F.I.T. victory made it a historic day for the school's aviation program.

Dear Alumni:

By the time you receive this, the Alumni Weekend at F.I.T. will have come and gone. We hope all of you who were able to attend enjoyed it very much. If you still have your old address, please send it to us so we can update our files. We would still appreciate your taking a few minutes to fill it out. The term has come to an end of our alumni association board.

Dr. William S. Alevizon, associate professor of biological sciences, was an invited speaker at the International Conference on Artificial Reefs at Irvine, California.

At the conference, which included participants from 10 countries, Alevizon presented a paper on the effects of artificial reefs on the distribution of fish and other marine organisms.
