Message From Dean Theodore Richardson

Thank you for your interest in the University of North Carolina at Charlotte's response to COVID-19. We are committed to providing a safe and effective learning environment for our students and faculty. We have implemented a variety of measures to ensure the health and safety of our campus community.

Our academic programs have been reviewed and approved by the International Association of Business Schools (IABBS) and the International Association of Universities (IAU). We are also a member of the Association to Advance Collegiate Schools of Business International (AACSB). We are committed to providing a high-quality education and to being a leader in our field.

VENTUREW is a leading provider of business education and training. We are committed to providing a high-quality education and to being a leader in our field. We are also a member of the Association to Advance Collegiate Schools of Business International (AACSB). We are committed to providing a high-quality education and to being a leader in our field.

Faculty and staff are encouraged to continue to work from home whenever possible. We are committed to providing a safe and effective learning environment for our students and faculty. We have implemented a variety of measures to ensure the health and safety of our campus community.

Like the *The Bottom Line*, the 2021 edition of the book is a must-read for anyone interested in business. It provides a comprehensive overview of the current business environment and offers practical advice for navigating the challenges ahead.
