

PROFESSORS EMERITI HANDBOOK
Florida Institute of
Technology
(Revised January 2020)
as of 12-23-19

PREFACE

This handbook is a supplement to the Florida Institute of Technology Faculty Handbook (<https://www.fit.edu/policies/faculty/>) and is intended for the use of Professors Emeriti. It lists the privileges granted by Florida Tech and describes the Professors Emeriti organization established to provide a formal mechanism by which the retired professor can continue to contribute to the growth and development of the university. A retired Florida Institute of Technology faculty member who meets requirements listed in the
