

1. ORDER/AGREEMENT. These terms and conditions are made part of the attached purchase order ("Order") issued by Florida Institute of Technology, Inc. ("Florida Tech") to the supplier identified in the Order ("Seller") to purchase certain goods and/or services described in the Order ("Goods"). The Order is binding on the parties when Seller (i) returns written acceptance, (ii) makes any shipment of Goods to Florida Tech, or (iii) accepts the Order in any other manner. The terms of the accepted Order, including these General Terms and Conditions, shall constitute the entire agreement between the parties (collectively the "Agreement"). In the event of a conflict between any of the terms on the face of an Order and those contained in these General Terms and Conditions, the terms on the face of the Order shall control. Any additional terms in any proposal, quotation, invoice, acknowledgement or other communication from Seller are hereby objected to and rejected and shall not be binding on Florida Tech.
2. PRICE. The total price of the Goods shall be as stated in the Agreement and unless otherwise specified therein, the price for Goods shall be fixed. No additional charges or assessments of any kind (including, without limitation, freight/shipping charges, packaging charges, surcharges or taxes (other than any applicable sales taxes)) will be allowed unless such charges are clearly specified in the Agreement.
3. PACKING; SHIPPING. Seller shall describe, mark and pack Goods in a manner appropriate to ensure the Goods' protection until delivered to Florida Tech.

PURCHASE ORDER GENERAL TERMS AND CONDITIONS

12. INDEMNIFICATION. Seller shall indemnify, defend (with counsel satisfactory to Florida Tech) and hold Florida Tech, its affiliates and subsidiaries, and their respective officers, trustees, employees, successors, assigns, insurers, customers and agents ("Indemnified Persons"), harmless against any and all claims, demands, actions, causes of action, liability, losses, damages, costs, expenses and reasonable attorneys' fees, which an Indemnified Person may incur in any way related to any Goods, or Seller's performance or negligent acts or omissions, including without limitation claims for personal injury, breach of warranty, infringement, strict liability, property damage, defect, or based on warning, instructions or government action. Seller agrees that its obligations herein shall survive the termination or expiration of the Agreement.
13. COMPLIANCE WITH LAWS. Seller, at its expense, shall comply with all laws, regulations and requirements applicable to Goods, to the supply of Goods to Florida Tech and to Seller's performance hereunder. Seller and its subcontractors shall comply with all wage, workers compensation, equal opportunity and reporting requirements. The Equal Opportunity and Affirmative Action Contract Clauses contained in Section 202 of Executive Order 11246, as amended, 41CFR 60-1.4 and 41CFR 60-250.4 are incorporated in this purchase order by reference. Buyer and Buyer's subcontractors shall abide by the requirements of 41 CFR 60-741.101, which is incorporated herein by reference. This regulation prohibits discrimination against qualified individuals on the basis of disability, and requires affirmative action by covered prime contractors and subcontractors to employ and advance in employment.
14. LABELING LAWS. Seller shall label containers of all Goods which are known to constitute a health, poison, fire or explosion hazard in accordance with all laws of the state to which such Goods are shipped. In the absence of any such law, Seller shall label such containers in accordance with "American National Standard for Hazardous Industrial Chemical-Precautionary Labeling," published by the American National Standards Institute, Inc.
15. FORCE MAJEURE. Neither party will be held responsible for a breach, delay or failure of performance of any obligation hereunder that results from war, act of God or natural disaster (e.g. fire, earthquake or flood), or governmental action not due to the fault of the party (e.g. embargo).
16. ASSIGNMENT. Seller shall not assign or subcontract any of its rights, duties or obligations under the Agreement without FIT's prior written consent. Such consent, if granted shall not relieve Seller of its obligations under the Agreement.
17. MISCELLANEOUS. Failure to require strict performance of any provision of the Agreement shall not constitute a waiver or default by a party or diminish that party's right to subsequently demand strict compliance therewith. The headings herein are for convenience only and shall not affect interpretation. If any provision of the Agreement, or the application thereof, to any person or circumstance shall for any reason and to any extent be invalid or unenforceable, the remainder of the Agreement and the application of such provision to other persons or circumstances shall not be affected thereby, but rather shall be enforced to the maximum extent possible. The Agreement shall be governed by and construed in accordance with the laws of the State of Florida (without regard to conflict of law provisions thereof). Seller consents to the exclusive jurisdiction of the appropriate federal court in the U.S. District Court for the Middle District of Florida or of the state court in Brevard County, Florida for any legal or equitable action arising out of or in connection with the Agreement. Seller waives any and all objections to venue in such courts.
